Dear Acad. Prof. Borys Paton,

I immensely appreciate that you have invited me to attend the celebration of the 100th anniversary of the founding of the National Academy of Sciences of Ukraine (NASU). On behalf of the Vietnam Academy of Science and Technology (VAST), I am honoured to warmly congratulate you and your colleagues on this historic event. Due to my pre-scheduled meeting at that time, I will not be able to attend the celebration, which will be held on December 6-7, 2018 in Kiev. However, I will send a delegation of VAST led by Prof.Dr. Nguyen Dinh Cong, Vice-President of VAST to participate in the celebration.

On this occasion, I am delighted to inform you that the Vietnam Academy of Science and Technology will present the VAST's campaign medal to you in recognition of your outstanding contributions to science and education of VAST.

Finally, I wish the NASU's 100th anniversary a great success and wish you and your colleagues good health, happiness and prosperity and do wish the partnership between VAST and NASU a very sustainable and more fruitful future.

Sincerely yours, 

Acad. Prof. Chau Van Minh
President.
