Academician Borys Paton
President
National Academy of Sciences of Ukraine

Dear President Paton,

I hope this letter will find you in good health and spirit.

Please accept my sincere apology as I will not be able to attend the celebration of the 100th Anniversary of the Founding of the National Academy of Sciences of Ukraine. I had planned on attending and was looking forward to it, but due to inevitable commitment, I cannot make my visit to your Academy. Please also send my regards to the staff members of National Academy of Sciences of Ukraine, as I am sure they are putting their best efforts into organizing this meeting.

Lastly, on behalf of the Korean Academy of Science and Technology, we extend our heartiest congratulations to your academy for completing 100 glorious years of success. We wish you all the best for many more years to come, and we hope to continue collaborating with you.

With my best regards,

Prof. Myung-Chul Lee, M.D.

President
