

- **State program of development of vocational education in the 2011 - 2015 years**

2011 - 2020

State Customer: Ministry of Education and Science of Ukraine

[Resolution of Cabinet of Ministers of Ukraine 13.04.2011 № 495](#)

### **Goal**

The aim of the Programme is to create favorable conditions for the preparation of high-quality workforce in accordance with the priorities of the state of social and economic policy, focusing on the needs of the individual, society and state, and equal access to vocational education.

### **Tasks and activities**

The main objectives of the Programme are:

- create conditions for vocational education of good quality;

- improvement of management of vocational education and its financial support;

- balancing the labor market and the education market;

- update the legal framework of vocational education;

- restore the prestige of working professionals in the community through career-oriented work with the public;

- create PSAs prestige workers.

The program is expected to perform within five years.
